

How to Delete a Survey Vendor Authorization for a DCE

If your DCE has authorized the wrong vendor by mistake, or would like to switch survey vendors, you must first delete your current vendor authorization by following the steps below. These steps can only be completed by the Survey Administrator or Backup Survey Administrator for the DCE. Please refer to the images below each step for reference on how to complete each step.

Note: Once you have authorized a vendor for PY2022, switching to a different vendor is not recommended as it will jeopardize your ability to meet PY2022 GPDC CAHPS quality reporting requirements. However, if necessary, vendors can be switched **before** July 22, 2022.

Step 1: Click on the “Login” button on the top right corner of the website. Enter your username and password and click “Login.” If you forgot your password, click on “Reset Password”, and follow the directions to have a password reset link sent to the email address you used to register your account.
